

Join in The Mission

In late 2016 Jeff and Stephanie Bys boarded a plane headed for Kenya. They quit their jobs, sold their possessions and took seven of their ten children with them to begin a new life of servanthood to the people of the Bungoma area.

Armed with the true Gospel and the grace of God, they began to build what has now come to be known as **Mercy Children's Home Kenya**. They have directly felt the devastation of the rampant effects of the 'prosperity gospel' and have faced many difficulties

and oppositions. In 2017 both Jeff and Stephanie were arrested for a brief period of time.

But God...

And yet the Lord was faithful, as it says in Romans 8:28, 29 – *“And we know that for those who love God all things work together for good, for those who are called according to His purpose.”*

Working directly with About-Face Missions (AFM) of Garland, Texas, they work out the Gospel and under the banner of James 1:27 – *“Religion that is pure and undefiled before God, the Father, is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world.”*

In 2018, with the help of partners in Nairobi, the official documentary was released, **Mercy Home Story: Surrendering the American Dream for Christ and Kenya**. It is a must watch!
